The executive committee of the W.T.F. and the F.E.T. General Assembly agreed that in championships any gesticulations, applause and coach's excessive gestures during combat will be punished following the international rules of arbitration, recalling that the sanctions can reach the disqualification of the competitor and coach.

The previously mentioned acts incite violence and disturbances in both the public and contestants, what goes against the Royal Decree on violence in sport and Regulation of Sports Discipline in addition to the deplorable and so detrimental spectacle that violators of these rules give to the Taekwondo.

This is communicated to general knowledge and timely effects.
